ABOUT US

Inspiring an outdoor lifestyle is at the heart of everything we do. We're here to share in those adventurous moments, and our philosophy is simple; **we design and create functional products that are made to last.**

Our fabrics have been tried, tested and carefully considered to serve the function for which they are designed. **Each and every Dirt Road garment is designed and made in KwaZulu Natal, South Africa.**

We are Dirt Road Outfitters and we hope you will follow us on our journey.

OUR FEATURED PRODUCTS

Discover the gear that defines Dirt Road Outfitters. Our featured range highlights our best-selling, most trusted items—built for durability, comfort, and everyday performance.

From rugged work shirts and hard-wearing bottoms to versatile outerwear, each piece is crafted to handle real South African conditions while keeping you comfortable and confident.

These are the products our customers reach for first—because they're made to work, made to last, and made for the Dirt Road.

A LITTLE BIT OF HISTORY

Our Khaki Field Range is one of the longest-standing products still manufactured by Dirt Road.

A timeless bush classic that has earned its place through decades of hard wear, practical design, and uncompromising durability. Made from 100% pure cotton and built for comfort in the field, it's trusted by those who work, explore, and live outdoors—then, now, and always.

WHY CHOOSE DIRT ROAD

GEAR MADE FOR HARD WORK

At Dirt Road Outfitters, we design clothing that's made to last. Built for farms, workshops, safaris, and wide-open spaces, our gear stands up to all conditions—day after day.

CONSISTENT, DEPENDABLE PERFORMANCE

When the job gets demanding, you need clothing that keeps up. Our clothing delivers durability, comfort, and mobility so you can focus on the task at hand.

BRANDING SOLUTIONS

We work closely with our customers to brand your clothing and uniform with quality personalisation.

A FIT FOR EVERY BODY

Our range includes men's and women's styles in a wide selection of sizes and cuts—ensuring comfort and versatility.
